- 4) The cards will be marked handicaps on your score cards based on the low handicap in the foursome with that player receiving 0 and the difference of handicap given to the other players.
- 5) If only one player from a team shows up with NO advance notice to the opposing team, the match can either be played later or played by the one player at the discretion of the opposing team. The points will be determined by low score with handicap for each hole with 2 points being awarded.

- 7) If a match cannot be played on the original night scheduled, that match must be made up within two weeks of that night. Failing that, those two teams will match cards for the night missed while playing their regularly schedule match.
- 8) Any members of the golf league reaching the age of 70 and wishing to participate from the **Forward tee's** can do so with handicaps adjust accordingly for that player.
- 9) All new golfers not having an existing certified golf handicap, will play 3 matches to establish a handicap. All match points will be calculated retroactively and then adjusted accordingly.
